

# **RAISE** **THE RATE** **FOR GOOD**

Raise the Rate for Good is a **grassroots-led movement working to reduce poverty and inequality in Australia.**

Our goal is to fix our income support safety net for good to **ensure everyone has enough to cover the basics.**

Before the COVID-19 crisis, **the rate of Newstart (now JobSeeker) had not been increased in real terms for 26 years,** while the cost of living, especially housing, has gone through the roof.

**Without action, JobSeeker will return to the brutal old rate of \$40 a day** from 31 March, forcing millions into poverty.
